AVVERTENZA IMPORTANTE.

I piani servizio, i distanziali e le basi necessari ad assemblare le composizioni Blok non sono mai inclusi nei moduli e devono quindi sempre essere necessariamente indicati nell'ordine separatamente a seconda delle necessità. Controllare a pag. 154/155/156 per esempi pratici.

IMPORTANT NOTICE.

The top shelves, the spacers and the bases necessary to assemble the Blok compositions are never included in the components themselves. Please always indicate them separately in the due quantity and measures when placing the order of the furniture. Check pages 154/155/156 for practical examples.

AVVERTENZA IMPORTANTE.

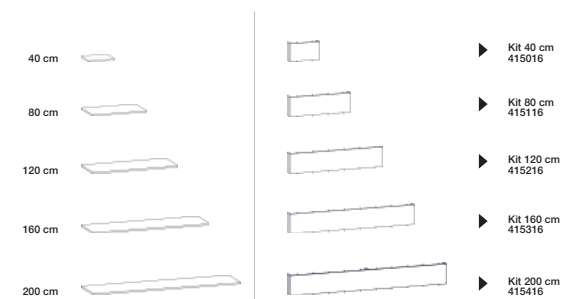

Ricordiamo che i piani di servizio e le fasce zoccolo per i mobili a terra (disponibili in kit comprendenti entrambi) non sono mai inclusi nei singoli moduli e devono quindi sempre essere ordinati separatamente in base alla lunghezza delle composizioni. Controllare a pag. 160/161/162/163 per esempi pratici.

IMPORTANT NOTICE.

We do remind that the service top shelves and the base front covers (available in kits including both) are not included in the single components and then must always be ordered separately according to the length of the set-ups. Please check pages 160/161/162/163 for practical examples.
